Cautionary Statements with Respect to Forward-Looking Statements:

Statements made in this annual report with respect to NTV's plans and benefits, as well as other statements that are not historical facts, are forward-looking statements, which involve risks and uncertainties. Potential risks and uncertainties include, without limitation, general economic conditions in NTV's markets, exchange rates and NTV's ability to continue to win customers' acceptance of its products, which are offered in highly competitive markets characterized by continual new product introductions and rapid developments in technology.
